Subject:

Revised Evidence Summary Report

Work Assignment C02119 Ventron/Velsicol Site Bergen County, New Jersey

Bergen County, New Jersey

Document Control: TESV-C02119-LR-DBBK

Dear Mr. Smieszek:

Please find enclosed "Ventron/Velsicol Revised Evidence Summary Report" for work assignment C02119, Ventron/Velsicol Responsible Party Search, as partial fulfillment of the reporting requirements for this work assignment. This deliverable was prepared (as enforcement confidential) at EPA's direction, as a revision to the Ventron/Velsicol Evidence Summary Report, Volumes I, II and III. These previous deliverables were delivered to EPA on May 14, June 1, and June 11, 1993.

As directed by EPA, CDM Federal Programs Corporation's Subcontractor Techlaw performed address verification, corporate status and limited title research on 50 of the parties identified in the previous deliverables. This research was conducted as detailed and authorized under Tasks 8, 14 and 16 of the Approved Work Plan. This deliverable contains the revised evidence Summaries for parties in Carlstadt, East Rutherford, Hasbrouck Heights, Lyndhurst, Moonachie, Teterboro and Wood-Ridge. All revision and additions to the Introduction and the Evidence Summaries appear in *Italics*.

This deliverable does not contain the revised Evidence Summary for Airwick Industries (pages 6,7,4, 8 of Attachment I): TechLaw is awaiting additional corporate information on this party. The revised Evidence Summary for Airwick will be completed and submitted as soon as the additional information is received.

Mr. Erwin Smieszek September 22, 1993 Page 2

Also please note that this deliverable does not contain the revised Evidence Summary for Exxon Service Station 35360. Techlaw is awaiting additional corporate information on this party. The revised Evidence Summary for Exxon Service Station 35360 will be completed and submitted to EPA as soon as the additional information is received. However if this information is not received with in one week CDM Federal will submit as is the evidence summaries for Airwick and Exxon Service Station 35360 on September 29, 1993.

In order of submittal please find Appendix I - parties with revised evidence summaries and Appendix II - List of parties whose addresses could not be verified. Evidence summaries are contained in attachments I through VII; Attachment I (Carlstadt), Attachment II (East Rutherford), Attachment III (Hasbrouck Heights), Attachment V (Moonachie), Attachment VI (Teterboro) and Attachment VII (Wood-Ridge).

If you have any comments or questions, please call Jeniffer Oxford of CDM Federal at (212) 393-9634 within two weeks from the date of this letter.

Sincerely,

CDM FEDERAL PROGRAMS CORPORATION

Scott B. Graber
